Typeset Text

- Please use a 12-point Times Roman font in the title page and in the body of paper. Each paragraph has a 0.3" indentation (only for its first line).
- Footnotes should be Times New Roman 10-point, a numbered list at the end of each page and re-numbered in each page. Word may try to automatically 'underline' hotlinks in your references, The correct style is NO underlining.
- The references are 11-point Times Roman font.
- Do not include headers, footers or page numbers in your submission. These will be added when the publications are assembled.

- Place Tables/Figures/Images in text as close to the reference as possible (see Figure 1). It may extend across both columns to a maximum width of 18 cm (7”).
- Captions should be Times New Roman 12-point. They should be numbered (e.g., “Table 1” or “Figure 2”), please note that the word for Table and Figure are spelled out. A source should be provided for all Tables and/or Figures appeared into the text, and/or in Appendixes.
