

**3<sup>rd</sup> Annual International Conference on Public Health,  
19-22 June 2017, Athens, Greece  
Call for Papers and Participation**

The Athens Institute for Education and Research (ATINER) organizes its **3<sup>rd</sup> Annual International Conference on Public Health, 19-22 June 2017, Athens, Greece** sponsored by the Athens Journal of Health.

The aim of the conference is to bring together academics and researchers from all areas of Public Health and related disciplines.

Special arrangements will be made with a local hotel for a limited number of rooms at a special conference rate. In addition, a number of social events will be organized: A Greek night of entertainment with dinner, a special one-day cruise to selected Greek islands, an archaeological tour of Athens and a one-day visit to Delphi. Details of the social program are available here.

Fee structure information is available on <http://www.atiner.gr/fees>.

Please submit a 300-word abstract before **DEADLINE CLOSED**, by email, to [atiner@atiner.gr](mailto:atiner@atiner.gr), **Dr. Anna Tsaroucha, Academic Member, ATINER & Senior Research Officer Fellow of the Higher Education Academy (FHEA), School of Social Work, Allied and Public Health, Faculty of Health Sciences, Staffordshire University, U.K.** or **Dr. Zoe Boutsoli, Director, Health Sciences Research Division, ATINER, Greece**. Please include: Title of Paper, Full Name (s), Current Position, Institutional Affiliation, an email address and at least 3 keywords that best describe the subject of your submission. Please use the abstract submitting form. **Decisions will be reached within four weeks of your submission.**

If your submission is accepted, you will receive information on registration deadlines and paper submission requirements. Should you wish to participate in the Conference without presenting a paper, for example, to chair a session, to evaluate papers which are to be included in the conference proceedings or books, to contribute to the editing of a book, or any other contribution, please send an email to **Dr. Gregory T. Papanikos, President, ATINER & Honorary Professor, University of Stirling, UK** ([gregory.papanikos@stir.ac.uk](mailto:gregory.papanikos@stir.ac.uk)).

The Athens Institute for Education and Research (ATINER) was established in 1995 as an independent world association of Academics and Researchers. Its mission is to act as a forum where Academics and Researchers from all over the world can meet in Athens, in order to exchange ideas on their research, and to discuss future developments in their disciplines.

The organizing and hosting of International Conferences and Symposiums, the carrying out of Research, and the production of Publications are the basic activities of ATINER. Since 1995, ATINER has organized more than 400 International Conferences and other events, and has published close to 200 books. In 2012, the Association launched a series of conference paper publications (click here), and at the beginning of 2014, it introduced its own series of Journals (click here).

Academically, the Association is organized into seven Research Divisions and thirty- nine Research Units. Each Research Unit organizes at least an

Annual International Conference, and may also undertake various small and large research projects.

Academics and Researchers are more than welcome to become members and to contribute to ATINER's objectives. If you would like to become a member, please download the relevant form ([membership form](#)). For more information on how to become a member, please send an email to: [info@atiner.gr](mailto:info@atiner.gr).
