ATINER is an Athens-based World Association of Academics and Researchers based in Athens. ATINER is an independent and non-profit Association with a Mission to become a forum where Academics and Researchers from all over the world can meet in Athens, exchange ideas on their research and discuss future developments in their disciplines, as well as engage with professionals from other fields. Athens was chosen because of its long history of academic gatherings, which go back thousands of years to Plato's Academy and Aristotle's Lyceum. Both these historic places are within walking distance from ATINER's downtown offices. Since antiquity, Athens was an open city. In the words of Pericles, Athens "...is open to the world, we never expel a foreigner from learning or seeing". ("Pericles' Funeral Oration", in Thucydides, The History of the Peloponnesian War). It is ATINER's mission to revive the glory of Ancient Athens by inviting the World Academic Community to the city, to learn from each other in an environment of freedom and respect for other people's opinions and beliefs. After all, the free expression of one's opinion formed the basis for the development of democracy, and Athens was its cradle. As it turned out, the Golden Age of Athens was in fact, the Golden Age of the Western Civilization. Education and (Re)searching for the 'truth' are the pillars of any free (democratic) society. This is the reason why Education and Research are the two core words in ATINER's name.

The *Athens Journal of Mass Media and Communications (AJMMC)* is an Open Access quarterly double-blind peer reviewed journal and considers papers from all areas from mass media and communication. The Journal encourages the submission of works that engages issues of international scope and that explore matters of theoretical importance across a diverse range of topics from journalism, to strategic communication, to economics, public policy, politics and technological change as they relate to media and society. Many of the papers published in this journal have been presented at the various conferences sponsored by the [Mass Media & Communication Unit](#) of the [Athens Institute for Education and Research \(ATINER\)](#). All papers are subject to ATINER's [Publication Ethical Policy and Statement](#).
