*Athens Institute is an Athens-based World Association of Academics and Researchers based in Athens. Athens Institute is an independent and non-profit Association with a Mission to become a forum where Academics and Researchers from all over the world can meet in Athens, exchange ideas on their research and discuss future developments in their disciplines, as well as engage with professionals from other fields. Athens was chosen because of its long history of academic gatherings, which go back thousands of years to Plato's Academy and Aristotle's Lyceum. Both these historic places are within walking distance from Athens Institute's downtown offices. Since antiquity, Athens was an open city. In the words of Pericles, Athens "...is open to the world, we never expel a foreigner from learning or seeing". ("Pericles' Funeral Oration", in Thucydides, *The History of the Peloponnesian War*). It is Athens Institute's mission to revive the glory of Ancient Athens by inviting the World Academic Community to the city, to learn from each other in an environment of freedom and respect for other people's opinions and beliefs. After all, the free expression of one's opinion formed the basis for the development of democracy, and Athens was its cradle. As it turned out, the Golden Age of Athens was in fact, the Golden Age of the Western Civilization. Education and (Re)searching for the 'truth' are the pillars of any free (democratic) society. This is the reason why Education and Research are the two core words in Athens Institute's name.*

The ***Athens Journal of Mediterranean Studies (AJMS)*** is an Open Access quarterly double-blind peer reviewed journal and considers papers from all areas of Arts and Humanities, Social Sciences, Business and Law, Urban Planning, Architecture and Environmental Sciences. Many of the papers published in this journal have been presented at the various conferences sponsored by the [Center for European & Mediterranean Affairs \(CEMA\)](#) of the [Athens Institute for Education and Research](#) (Athens Institute). All papers are subject to Athens Institute's [Publication Ethical Policy and Statement](#).
