President's Message

The Athens Institute for Education and Research (ATINER) is pleased to announce the publication of a number of peer reviewed, open access journals of original research work. Most of the articles will be selected from the numerous papers that have been presented at the various annual international academic conferences organized by the different research divisions and units of the Athens Institute for Education and Research. The plethora of papers presented every year will enable the editorial board of each journal to select the best, and in so doing produce a top quality academic journal. In addition to papers presented, ATINER will encourage the independent submission of papers to be evaluated for publication.

The current issue is the fourth from the third volume of the [*Athens Journal of Social Sciences*](#) published by the Social Sciences Research Division of the Athens Institute for Education and Research (ATINER). Currently, the division includes five research units: (a) [Economics Research Unit](#) (b) [Sociology Research Unit](#) (c) [Psychology Research Unit](#) (d) [Politics & International Affairs Research Unit](#) (e) [Mass Media & Communication Research Unit](#)

The Director of the Division of Social Sciences and the heads of the aforementioned research units are members of the Editorial Advisory Board. The Academic Members of each research unit are members of the Editorial Board and will assist the editor and the Editorial Advisory Board with the peer reviewing of all submitted papers. Currently, the academic members of the five research units consist of over 100 international experts from about 50 countries.
