

**6<sup>th</sup> Annual International Conference on Architecture,  
4-7 July 2016, Athens, Greece  
Call for Papers and Participation**

The Architecture Research Unit of the Athens Institute for Education and Research (ATINER), will hold its 6<sup>th</sup> Annual International Conference on Architecture, from the 4-7 July 2016. The conference website is <http://www.atiner.gr/architecture.htm>. The aim of the conference is to bring together academics and researchers from all areas of Architecture. Areas of interest include (**but are not confined to**):

- Individual buildings and building types
- History of architecture and the built environment
- Architectural theory
- Developments in construction
- Town planning
- Allied arts such as painting and sculpture
- Social Research examines the people who inhabit and use the spaces of architecture
- Technological Research studies the physical materials, methods, elements, systems, and science of architecture and the design and construction processes
- Environmental Research investigates the physical context of architecture, opening timely questions about the influence of society on environment
- Cultural Research studies place-making and the norms of the inhabitants of natural and built places past, present, and future
- Organizational Research examines the ways in which individuals and teams collaborate in the practice of architecture and in the client organizations
- Design Research considers the processes of shaping and making of places
- Educational Research examines the pedagogies of architecture and related fields

You may participate as panel organizer, presenter of one paper, chair a session or observer.

For programs of previous conferences and other information, please visit the conference website: <http://www.atiner.gr/architecture.htm>.

Fee structure information is available on <http://www.atiner.gr/2016/fees.htm>.

Special arrangements will be made with a local hotel for a limited number of rooms at a special conference rate. In addition, a number of special events will be organized: A Greek night of entertainment with dinner, a special one-day cruise to selected Greek islands, an archaeological tour of Athens and a one-day visit to Delphi. Details of the social program are available at <http://www.atiner.gr/2016/SOC-ARC.htm>.

Please submit an abstract (email only) to: [atiner@atiner.gr](mailto:atiner@atiner.gr), using the abstract submission form available at <http://www.atiner.gr/2016/FORM-ARC.doc> by the **7 March 2016** to: **Dr. Nicholas N. Patricios**,

**Director, Engineering & Architecture Research Division, ATINER, and Professor & Dean Emeritus, School of Architecture, University of Miami, USA, ATINER, 8 Valaoritou Street, Kolonaki, 10671Athens, Greece. Tel.: + 30 210 363-4210 Fax: + 30 210 3634209. Please include: Title of Paper, Full Name (s), Current Position, Institutional Affiliation, an email address and at least 3 keywords that best describe the subject of your submission.**

If your submission is accepted, you will receive information on registration deadlines and paper submission requirements. Should you wish to participate in the Conference without presenting a paper, for example, to chair a session, to evaluate papers which are to be included in the conference proceedings or books, to contribute to the editing of a book, or any other contribution, please send an email to **Dr. Gregory T. Papanikos, President, ATINER & Honorary Professor, University of Stirling, UK** ([gregory.papanikos@stir.ac.uk](mailto:gregory.papanikos@stir.ac.uk)).

The Athens Institute for Education and Research (ATINER) was established in 1995 as an independent world association of Academics and Researchers. Its mission is to act as a forum where Academics and Researchers from all over the world can meet in Athens, in order to exchange ideas on their research, and to discuss future developments in their disciplines.

The organizing and hosting of International Conferences and Symposiums, the carrying out of Research, and the production of Publications are the basic activities of ATINER. Since 1995, ATINER has organized more than 400 International Conferences and other events, and has published close to 200 books. In 2012, the Association launched a series of conference paper publications ([click here](#)), and at the beginning of 2014, it introduced its own series of Journals ([click here](#)).

Academically, the Association is organized into seven Research Divisions and thirty- nine Research Units. Each Research Unit organizes at least an Annual International Conference, and may also undertake various small and large research projects.

Academics and Researchers are more than welcome to become members and to contribute to ATINER's objectives. If you would like to become a member, please download the relevant form ([membership form](#)). For more information on how to become a member, please send an email to: [info@atiner.gr](mailto:info@atiner.gr).

**6th Annual International Conference on Urban Studies & Planning,  
6-9 June 2016, Athens, Greece  
Call for Papers and Participation**

The Architecture & Engineering Research Unit in collaboration with the Social Sciences Research Division of the Athens Institute for Education and Research (ATINER) will organize its **6<sup>th</sup> Annual International Conference on Urban Studies & Planning, 6-9 June 2016, Athens, Greece**. The conference website is: <http://www.atiner.gr/planning.htm>.

The aim of the conference is to bring together academics and researchers from all areas of social sciences such as urban sociology, urban geography, urban design, urban planning, architecture, etc. Areas of interest include all topics dealing with cities such as:

1. History, growth, development, regeneration, and management of cities and other processes
2. Urban theories, policies, and modeling
3. Comprehensive, sector, and neighborhoods plans
4. Urban transportation and infrastructure planning
5. Historic preservation
6. Housing, public open space, and central business districts
7. Urban studies and planning pedagogy and research

You may participate as panel organizer, presenter of one paper, chair a session or observer. For programs of previous conferences and other information, please visit the conference website: <http://www.atiner.gr/planning.htm>.

Fee structure information is available on <http://www.atiner.gr/2016/fees.htm>.

Special arrangements will be made with a local hotel for a limited number of rooms at a special conference rate. In addition, a number of special events will be organized: A Greek night of entertainment with dinner, a special one-day cruise to selected Greek islands, an archaeological tour of Athens and a one-day visit to Delphi. Details of the social program are available at <http://www.atiner.gr/2016/SOC-PLA.htm>.

Please submit an abstract (email only) to: [atiner@atiner.gr](mailto:atiner@atiner.gr), using the abstract submission form available at <http://www.atiner.gr/2016/FORM-PLA.doc> by the **8 February 2016** to: **Dr. Nicholas N. Patricios, Director, Engineering & Architecture Research Division, ATINER, and Professor & Dean Emeritus, School of Architecture, University of Miami, USA**. Abstracts should include the following: Title of Paper, Full Name(s), Affiliation, Current Position, an email address, and at least 3 keywords that best describe the subject of your submission. Decisions are reached within 4 weeks.

If you want to participate without presenting a paper, i.e. organize a panel (session, mini conference), chair a session, review papers to be included in the conference proceedings or books, contribute to the editing of a book, or any other contribution, please send an email to **Dr. Gregory T. Papanikos, President, ATINER & Honorary Professor, University of Stirling, UK** ([gregory.papanikos@stir.ac.uk](mailto:gregory.papanikos@stir.ac.uk)).

**4th Annual International Conference on Industrial, Systems and Design  
Engineering, 20-23 June 2016, Athens, Greece  
Call for Papers and Participation**

The Industrial Engineering Research Unit of the Athens Institute for Education and Research (ATINER) will hold its **4<sup>th</sup> Annual International Conference on Industrial, Systems and Design Engineering, 20-23 June 2016, Athens, Greece**. For further details, please go to the conference website: <http://www.atiner.gr/industrial.htm>. The aim of the conference is to bring together academics, researchers and professionals in areas of Industrial, Systems, Design Engineering and related subjects. You may participate as panel organizer, presenter of one paper, chair of a session or observer.

For programs of previous conferences and other information, please visit the conference website: <http://www.atiner.gr/industrial.htm>.

Fee structure information is available on <http://www.atiner.gr/2016/fees.htm>.

Special arrangements will be made with a local hotel for a limited number of rooms at a special conference rate. In addition, a number of special events will be organized: A Greek night of entertainment with dinner, a special one-day cruise to selected Greek islands, an archaeological tour of Athens and a one-day visit to Delphi. Details of the social program are available at <http://www.atiner.gr/2016/SOC-IND.htm>.

Please submit an abstract (email only) to: [atiner@atiner.gr](mailto:atiner@atiner.gr), using the abstract submission form available at <http://www.atiner.gr/2016/FORM-IND.doc> by the **22 February 2016** to: **Dr. Theodore Trafalis, Head, Industrial Engineering Research Unit, ATINER, Professor of Industrial and Systems Engineering & Director, Optimization & Intelligent Systems Laboratory, The University of Oklahoma, USA, 8 Valaoritou Street, Kolonaki, 10671 Athens, Greece. Tel.: + 30 210 363-4210 Fax: + 30 210 3634209.** Please include: Title of Paper, Full Name (s), Current Position, Institutional Affiliation, an email address and at least 3 keywords that best describe the subject of your submission. Decisions are reached within 4 weeks.

If your submission is accepted, you will receive information on registration deadlines and paper submission requirements. Should you wish to participate in the Conference without presenting a paper, for example, to chair a session, to evaluate papers which are to be included in the conference proceedings or books, to contribute to the editing of a book, or any other contribution, please send an email to **Dr. Gregory T. Papanikos, President, ATINER & Honorary Professor, University of Stirling, UK** ([gregory.papanikos@stir.ac.uk](mailto:gregory.papanikos@stir.ac.uk)).

**2nd Annual International Conference on Transportation,  
6-9 June 2016, Athens, Greece  
Call for Papers and Participation**

The Transportation Engineering Research Unit of the Athens Institute for Education and Research (ATINER) organizes its **2<sup>nd</sup> Annual International Conference on Transportation, 6-9 June 2016, Athens, Greece**. The conference website is: <http://www.atiner.gr/transportation.htm>.

The aim of the conference is to bring together academics and researchers of all areas of Transportation and other related areas. You may participate as panel organizer, presenter of one paper, chair a session or observer. For programs of previous conferences and other information, please visit the conference website: <http://www.atiner.gr/transportation.htm>. Fee structure information is available on <http://www.atiner.gr/2016/fees.htm>.

Special arrangements will be made with a local hotel for a limited number of rooms at a special conference rate. In addition, a number of special events will be organized: A Greek night of entertainment with dinner, a special one-day cruise to selected Greek islands, an archaeological tour of Athens and a one-day visit to Delphi. Details of the social program are available at <http://www.atiner.gr/2016/SOC-TRA.htm>.

Please submit an abstract (email only) to: [atiner@atiner.gr](mailto:atiner@atiner.gr), using the abstract submission form available at <http://www.atiner.gr/2016/FORM-TRA.doc> by the 8 February 2016 to: **Dr. Virginia Sisiopiku, Head, Transportation Engineering Research Unit, ATINER, & Associate Professor, The University of Alabama at Birmingham, USA** or **Dr. Nicholas N. Patricios, Director, Engineering & Architecture Research Division, ATINER, Professor & Dean Emeritus, School of Architecture, University of Miami, USA**. Abstracts should include the following: Title of Paper, Full Name (s), Affiliation, Current Position, an email address, and at least 3 keywords that best describe the subject of your submission. Decisions are reached within 4 weeks.

If you want to participate without presenting a paper, i.e. organize a panel (session, mini conference), chair a session, review papers to be included in the conference proceedings or books, contribute to the editing of a book, or any other contribution, please send an email to **Dr. Gregory T. Papanikos, President, ATINER & Honorary Professor, University of Stirling, UK** ([gregory.papanikos@stir.ac.uk](mailto:gregory.papanikos@stir.ac.uk)).

**6th Annual International Conference on Civil Engineering,  
20-23 June 2016, Athens, Greece  
Call for Papers and Participation**

The Civil Engineering Research Unit of the Athens Institute for Education and Research (ATINER) organizes its **6<sup>th</sup> Annual International Conference on Civil Engineering, 20-23 June 2016, Athens, Greece**. The conference website is: <http://www.atiner.gr/civileng.htm>.

The aim of the conference is to bring together academics and researchers of all areas of Civil Engineering other related areas. Areas of interest include (but are not confined to):

**Civil Engineering**

- Structural engineering
- Construction engineering
- Water resources engineering
- Environmental engineering
- Municipal or urban engineering
- Urban Infrastructure
- Transportation Engineering
- Railway systems engineering
- Forensic engineering
- Geotechnical engineering
- Surveying
- Design Research considers the processes of shaping and making of places
- Educational Research examines the pedagogies of civil engineering and related fields
- History of civil engineering

**Structural Engineering and Mechanics**

- Earthquake engineering
- Materials
- Control engineering
- Coastal Systems engineering

You may participate as panel organizer, presenter of one paper, chair a session or observer. For programs of previous conferences and other information, please visit the conference website: <http://www.atiner.gr/civileng.htm>.

Fee structure information is available on <http://www.atiner.gr/2016/fees.htm>.

Special arrangements will be made with a local hotel for a limited number of rooms at a special conference rate. In addition, a number of special events will be organized: A Greek night of entertainment with dinner, a special one-day cruise to selected Greek islands, an archaeological tour of Athens and a one-day visit to Delphi. Details of the social program are available at <http://www.atiner.gr/2016/SOC-CIV.htm>.

Please submit an abstract (email only) to: [atiner@atiner.gr](mailto:atiner@atiner.gr), using the

abstract submission form available at <http://www.atiner.gr/2016/FORM-CIV.doc> by the **22 February 2016** to: Dr. Thomas Attard, Head, Civil Engineering Research Unit, ATINER & Associate Professor, The University of Alabama at Birmingham, USA. Abstracts should include the following: Title of Paper, Full Name (s), Affiliation, Current Position, an email address, and at least 3 keywords that best describe the subject of your submission. Decisions are reached within 4 weeks.

If you want to participate without presenting a paper, i.e. organize a panel (session, mini conference), chair a session, review papers to be included in the conference proceedings or books, contribute to the editing of a book, or any other contribution, please send an email to **Dr. Gregory T. Papanikos, President, ATINER & Honorary Professor, University of Stirling, UK** ([gregory.papanikos@stir.ac.uk](mailto:gregory.papanikos@stir.ac.uk)).

**12th Annual International Conference on Information Technology &  
Computer Science, 16-19 May 2016, Athens, Greece  
Call for Papers and Participation**

The Computer Research Unit of the Athens Institute for Education and Research (ATINER) organizes its **12<sup>th</sup> Annual International Conference on Information Technology & Computer Science, 16-19 May 2016, Athens, Greece**. The conference website is: <http://www.atiner.gr/computer.htm>.

The aim of the conference is to bring together academics and researchers of all areas of computer and other related disciplines. You may participate as panel organizer, presenter of one paper, chair a session or observer. For programs of previous conferences and other information, please visit the conference website: <http://www.atiner.gr/computer.htm>.

Fee structure information is available on [www.atiner.gr/2016/fees.htm](http://www.atiner.gr/2016/fees.htm).

Special arrangements will be made with a local hotel for a limited number of rooms at a special conference rate. In addition, a number of special events will be organized: A Greek night of entertainment with dinner, a special one-day cruise to selected Greek islands, an archaeological tour of Athens and a one-day visit to Delphi. Details of the social program are available at <http://www.atiner.gr/2016/SOC-COM.htm>.

Please submit an abstract (email only) to: [atiner@atiner.gr](mailto:atiner@atiner.gr), using the abstract submission form available at <http://www.atiner.gr/2016/FORM-COM.doc> by the **14 March 2016** to: **Dr. Panagiotis Petratos, Vice-President of Information Communications Technology, ATINER & Fellow, Institution of Engineering and Technology & Associate Professor, Department of Computer Information Systems, California State University, Stanislaus**. Abstracts should include the following: Title of Paper, Full Name (s), Affiliation, Current Position, an email address, and at least 3 keywords that best describe the subject of your submission. Decisions are reached within 4 weeks.

If you want to participate without presenting a paper, i.e. organize a panel (session, mini conference), chair a session, review papers to be included in the conference proceedings or books, contribute to the editing of a book, or any other contribution, please send an email to **Dr. Gregory T. Papanikos, President, ATINER & Honorary Professor, University of Stirling, UK** ([gregory.papanikos@stir.ac.uk](mailto:gregory.papanikos@stir.ac.uk)).

**2nd Annual International Conference on Foresight  
20-23 June 2016, Athens, Greece  
Call for Papers and Participation**

The Athens Institute for Education and Research (ATINER) organizes its **2<sup>nd</sup> Annual International Conference on Foresight** in Athens, Greece, on 20-23 June 2016.

The aim of the conference is to bring together scholars, researchers and students from all areas of Futures Studies and other related disciplines.

The Conference will include topics such as:

Culture, Civilization and Humanity, Transhumanity

Science - Technology and Economy

Science - Technology and Society

Economics and Politics

Economic, Social and Environmental Sustainability

Political Economy, Policy, Economy and Society (Individual and Common, Globalization and Regionalism, Autonomy and Interdependence)

Foresight Methodology, Tools and Techniques

Special arrangements will be made with a local hotel for a limited number of rooms at a special conference rate. In addition, a number of social events will be organized: A Greek night of entertainment with dinner, a special one-day cruise to selected Greek islands, an archaeological tour of Athens and a one-day visit to Delphi. Details of the social program are available [here](#).

Fee structure information is available on <http://www.atiner.gr/2016/fees.htm>.

Please submit a 300-word abstract, by e-mail to: [atiner@atiner.gr](mailto:atiner@atiner.gr), using the [abstract submission form](#) by **22 February 2016** to **Dr. Gregory T. Papanikos, President, ATINER**. Abstracts should include the following: Title of Paper, Full Name (s), Affiliation, Current Position, an e-mail address and at least 3 keywords that best describe the subject of your submission. Decisions are reached within 4 weeks. If your submission is accepted, you will receive information on registration deadlines and paper submission requirements.

Should you wish to participate in the Conference without presenting a paper, for example, to chair of a session, to evaluate papers which are to be included in the conference proceedings or books, to contribute to the editing of a book, or any other contribution, please send an e-mail to **Dr. Gregory T. Papanikos, President, ATINER & Honorary Professor, University of Stirling, UK** ([gregory.papanikos@stir.ac.uk](mailto:gregory.papanikos@stir.ac.uk)).

**Annual International Conference on Engineering Education & Teaching,  
6-9 June 2016, Athens, Greece  
Call for Papers and Participation**

The [Engineering & Architecture Research Division](#) of the Athens Institute for Education and Research (ATINER) organizes its **Annual International Conference on Engineering Education & Teaching, 6-9 June 2016, Athens, Greece.**

The aim of the conference is to bring together academics and researchers of all areas of Engineering Education, Teaching and Learning and other related areas. You may participate as panel organizer, presenter of one paper, chair a session or observer.

Fee structure information is available on <http://www.atiner.gr/2016/fees.htm>.

Special arrangements will be made with a local hotel for a limited number of rooms at a special conference rate. In addition, a number of special events will be organized: A Greek night of entertainment with dinner, a special one-day cruise to selected Greek islands, an archaeological tour of Athens and a one-day visit to Delphi. Details of the social program are available [here](#).

Please submit an abstract (email only) to: [atiner@atiner.gr](mailto:atiner@atiner.gr), using the [abstract submission form](#) by the **8 February 2016** to: **Dr. Nicholas N. Patricios, Director, [Engineering & Architecture Research Division](#), ATINER, and Professor & Dean Emeritus, School of Architecture, University of Miami, USA.** Abstracts should include the following: Title of Paper, Full Name (s), Affiliation, Current Position, an email address, and at least 3 keywords that best describe the subject of your submission. Decisions are reached within 4 weeks.

If you want to participate without presenting a paper, i.e. organize a panel (session, mini conference), chair a session, review papers to be included in the conference proceedings or books, contribute to the editing of a book, or any other contribution, please send an email to **Dr. Gregory T. Papanikos, President, ATINER & Honorary Professor, University of Stirling, UK** ([gregory.papanikos@stir.ac.uk](mailto:gregory.papanikos@stir.ac.uk)).

**3rd Annual International Conference on Engineering  
20-23 June 2016, Athens, Greece  
Call for Papers and Participation**

The [Engineering and Architecture Research Division](#) of the Athens Institute for Education and Research (ATINER) organizes its **3<sup>rd</sup> Annual International Conference on Engineering** which will be held in Athens, Greece on 20-23 June 2016.

The aim of the conference is to bring together academics and researchers from all areas of engineering, including chemical and biomolecular engineering, civil engineering, computer engineering, electrical engineering, mechanical engineering, mining and metallurgical engineering, rural and surveying engineering, and interdisciplinary areas such as aerospace engineering, agricultural engineering, applied engineering, biological engineering, biomedical engineering, building engineering, geotechnical engineering, energy (petroleum) engineering, hydraulic and maritime engineering, manufacturing engineering, industrial engineering, nuclear engineering, and railway engineering. You may participate as panel organizer, presenter of one paper, chair of a session or observer.

Fee structure information is available on <http://www.atiner.gr/2016/fees.htm>.

Special arrangements will be made with a local hotel for a limited number of rooms at a special conference rate. In addition, a number of special events will be organized: A Greek night of entertainment with dinner, a special one-day cruise to selected Greek islands, an archaeological tour of Athens and a one-day visit to Delphi. Details of the social program are available [here](#).

Please submit an abstract (email only) to: [atiner@atiner.gr](mailto:atiner@atiner.gr), using the [abstract submission form](#) by the **22 February 2016** to: **Dr. Panagiotis Petratos, Vice-President of Information Communications Technology, ATINER, Fellow, Institution of Engineering and Technology & Professor, Department of Computer Information Systems, California State University, Stanislaus, USA** or **Dr. Nicholas N. Patricios, Director, [Engineering & Architecture Research Division](#), ATINER, Professor & Dean Emeritus, School of Architecture, University of Miami, USA**. Please include: Title of Paper, Full Name (s), Current Position, Institutional Affiliation, an email address and at least 3 keywords that best describe the subject of your submission. Decisions are reached within 4 weeks.

If your submission is accepted, you will receive information on registration deadlines and paper submission requirements. Should you wish to participate in the Conference without presenting a paper, for example, to chair a session, to evaluate papers which are to be included

in the conference proceedings or books, to contribute to the editing of a book, or any other contribution, please send an email to **Dr. Gregory T. Papanikos, President, ATINER & Honorary Professor, University of Stirling, UK** ([gregory.papanikos@stir.ac.uk](mailto:gregory.papanikos@stir.ac.uk)).

**Annual International Conference on Applied Engineering and Applied Science,  
20-23 June 2016, Athens, Greece**

The [Engineering & Architecture Research Division](#) and [Natural & Formal Sciences Research Division](#) of the Athens Institute for Education and Research (ATINER) organize an **Annual International Conference on Applied Engineering and Applied Science, 20-23 June 2016, Athens, Greece.**

The aim of the conference is to bring together academics and researchers of all areas of applied engineering, applied science and other related disciplines. You may participate as panel organizer, presenter of one paper, chair a session or observer.

Fee structure information is available on <http://www.atiner.gr/2016/fees.htm>.

Special arrangements will be made with a local hotel for a limited number of rooms at a special conference rate. In addition, a number of special events will be organized: A Greek night of entertainment with dinner, a special one-day cruise to selected Greek islands, an archaeological tour of Athens and a one-day visit to Delphi. Details of the social program are available at [here](#).

Please submit an abstract (email only) to: [atiner@atiner.gr](mailto:atiner@atiner.gr), using the [abstract submission form](#) by the **22 February 2016** to: **Dr. Nicholas N. Patricios, Director, [Engineering & Architecture Research Division](#), ATINER, and Professor & Dean Emeritus, School of Architecture, University of Miami, USA.** Abstracts should include the following: Title of Paper, Full Name (s), Affiliation, Current Position, an email address, and at least 3 keywords that best describe the subject of your submission. Decisions are reached within 4 weeks.

If you want to participate without presenting a paper, i.e. organize a panel (session, mini conference), chair a session, review papers to be included in the conference proceedings or books, contribute to the editing of a book, or any other contribution, please send an email to **Dr. Gregory T. Papanikos, President, ATINER & Honorary Professor, University of Stirling, UK** ([gregory.papanikos@stir.ac.uk](mailto:gregory.papanikos@stir.ac.uk)).

**1st Annual International Conference on Structural Engineering and Mechanics,  
20-23 June 2016, Athens, Greece**

The [Civil Engineering Research Unit](#) of the Athens Institute for Education and Research (ATINER) organizes its **1<sup>st</sup> Annual International Conference on Structural Engineering and Mechanics, 20-23 June 2016, Athens, Greece.**

The aim of the conference is to bring together academics and researchers of all areas of structural engineering, mechanics and other related areas. Areas of interest include (but are not confined to):

- Earthquake engineering
- Materials
- Structural Optimization
- Advanced numerical and analytical methods
- Control engineering
- StructureInteraction
- SoilInteraction
- Earthquake Masonry Structures
- Blast Engineering
- Seismic Analysis
- Wind Engineering
- Materials Processing
- Sustainable Materials

Fee structure information is available on <http://www.atiner.gr/2016/fees.htm>.

Special arrangements will be made with a local hotel for a limited number of rooms at a special conference rate. In addition, a number of special events will be organized: A Greek night of entertainment with dinner, a special one-day cruise to selected Greek islands, an archaeological tour of Athens and a one-day visit to Delphi. Details of the social program are available [here](#).

Please submit an abstract (email only) to: [atiner@atiner.gr](mailto:atiner@atiner.gr), using the [abstract submission form](#) by the **22 February 2016** to: **Dr. Thomas Attard, Head, [Civil Engineering Research Unit](#), ATINER & Associate Professor, The University of Alabama at Birmingham, USA.** Abstracts should include the following: Title of Paper, Full Name (s), Affiliation, Current Position, an email address, and at least 3 keywords that best describe the subject of your submission. **Decisions are reached within 4 weeks.**

If you want to participate without presenting a paper, i.e. organize a panel (session, mini conference), chair a session, review papers to be included in the conference proceedings or books, contribute to the editing of a book, or any other contribution, please send an email to **Dr. Gregory T. Papanikos, President, ATINER & Honorary Professor, University of Stirling, UK**([gregory.papanikos@stir.ac.uk](mailto:gregory.papanikos@stir.ac.uk)).

**A Small Conference on the Internet of Things, Industrial Internet, Smart Factories and Industry 4.0, 16-19 May 2016, Athens, Greece**

The [Computer Research Unit](#) of the Athens Institute for Education and Research (ATINER) organizes **A Small Conference on the Internet of Things, Industrial Internet, Smart Factories and Industry 4.0, 16-19 May 2016, Athens, Greece** as part of the [12<sup>th</sup> Annual International Conference on Information Technology & Computer Science](#).

The aim of the conference is to bring together academics and researchers of all areas of business models, IoT value chain, big data, connected devices, technologies and trends, reference architectures, platforms, robotics, security and privacy, processes and case studies and other related disciplines. You may participate as panel organizer, presenter of one paper, chair a session or observer.

Fee structure information is available on [www.atiner.gr/2016/fees.htm](http://www.atiner.gr/2016/fees.htm). Special arrangements will be made with a local hotel for a limited number of rooms at a special conference rate. In addition, a number of special events will be organized: A Greek night of entertainment with dinner, a special one-day cruise to selected Greek islands, an archaeological tour of Athens and a one-day visit to Delphi. Details of the social program are available [here](#).

Please submit an abstract (email only) to: [atiner@atiner.gr](mailto:atiner@atiner.gr), using the [abstract submission form](#) by the **14 March 2016** to: **Mr. Till Hanisch, Academic Member, ATINER & Professor, University of Cooperative Education, Heidenheim, Germany**. Abstracts should include the following: Title of Paper, Full Name (s), Affiliation, Current Position, an email address, and at least 3 keywords that best describe the subject of your submission. Decisions are reached within 4 weeks.

If you want to participate without presenting a paper, i.e. organize a panel (session, mini conference), chair a session, review papers to be included in the conference proceedings or books, contribute to the editing of a book, or any other contribution, please send an email to **Dr. Gregory T. Papanikos, President, ATINER & Honorary Professor, University of Stirling, UK** ([gregory.papanikos@stir.ac.uk](mailto:gregory.papanikos@stir.ac.uk)).

**A Panel on Sustainable Civil Engineering Materials  
20-23 June 2016, Athens, Greece**

The [Engineering & Architecture Research Division](#) and [Natural & Formal Sciences Research Division](#) of the Athens Institute for Education and Research (ATINER) organize **A Panel on Sustainable Civil Engineering Materials, 20-23 June 2016, Athens, Greece** as part of the [Annual International Conference on Applied Engineering and Applied Science](#).

The aim of the panel is to bring together academics and researchers of all areas of **Sustainable Civil Engineering Materials**. Areas of interest include (but are not confined to):

- **Use of recycled and demolished materials in construction:** Recycled concrete, recycled brick, recycle rubble
- **Use of industrial by-products**
- **Desulphurised waste residues in construction**
- **Use of local materials**
- **Rammed earth and similar products**
- **Using novel materials as cement replacement:** Calcined clay, metakaolin
- **Cementless concrete materials:** Chemical activations, physical activation
- **Production of chemical admixtures derived from agriculture waste for concrete and other applications**
- **Use of waste food to produce materials for construction materials**

Fee structure information is available on <http://www.atiner.gr/2016/fees.htm>.

Special arrangements will be made with a local hotel for a limited number of rooms at a special conference rate. In addition, a number of special events will be organized: A Greek night of entertainment with dinner, a special one-day cruise to selected Greek islands, an archaeological tour of Athens and a one-day visit to Delphi. Details of the social program are available [here](#).

Please submit an abstract (email only) to: [atiner@atiner.gr](mailto:atiner@atiner.gr), using the [abstract submission form](#) by the **22 February 2016** to: **Dr. Jamal Khatib, Professor, Faculty of Science and Engineering, University of Wolverhampton, U.K.** Abstracts should include the following: Title of Paper, Full Name (s), Affiliation, Current Position, an email address, and at least 3 keywords that best describe the subject of your submission. Decisions are reached within 4 weeks.

If you want to participate without presenting a paper, i.e. organize a panel (session, mini conference), chair a session, review papers to be included in the conference proceedings or books, contribute to the editing of a book, or any other contribution, please send an email to **Dr. Gregory T. Papanikos, President, ATINER & Honorary Professor, University of Stirling, UK**([gregory.papanikos@stir.ac.uk](mailto:gregory.papanikos@stir.ac.uk)).

**A Panel on Optimization and Advanced FEA/Structural Analysis Methods, 20-23 June 2016, Athens, Greece**

The [Civil Engineering Research Unit](#) of the Athens Institute for Education and Research (ATINER) organizes **A Panel on Optimization and Advanced FEA/Structural Analysis Methods, 20-23 June 2016, Athens, Greece** as part of the [1<sup>st</sup> Annual International Conference on Structural Engineering and Mechanics](#).

The aim of the panel is to bring together academics and researchers of all areas of structural engineering, structural optimization, structural analytical methods and other related areas.

The authors of the best papers, as determined by the scientific committee of panel organizers, will be asked to submit journal manuscripts for possible publication in [Athens Journal of Technology & Engineering](#).

Fee structure information is available on <http://www.atiner.gr/2016/fees.htm>.

Special arrangements will be made with a local hotel for a limited number of rooms at a special conference rate. **A Panel on Advanced Composites, Sustainable Materials in Civil Infrastructures,  
20-23 June 2016, Athens, Greece**

The [Civil Engineering Research Unit](#) of the Athens Institute for Education and Research (ATINER) organizes **A Panel on Advanced Composites, Sustainable Materials in Civil Infrastructures, 20-23 June 2016, Athens, Greece** as part of the [1<sup>st</sup> Annual International Conference on Structural Engineering and Mechanics](#).

The aim of the panel is to bring together academics and researchers of all areas of structural engineering, sustainability, infrastructural materials, advanced composites and other related areas. Areas of interest include (but are not limited to):

- Sustainable infrastructural materials and life-cycle assessment
- Synthetic, bio-based, and hybrid composites
- Material testing methods including high-rate loading, high-temperature and cryogenic exposure, digital image correlation (DIC) etc.
- Recycled materials and by-products
- Thermally active materials including PMC etc.
- Structural retrofitting and repairing
- Cementitious materials and composites
- Geopolymers and alkali-activated materials
- Non-destructive evaluation and testing (NDE/NDT)
- Inorganic and fire resistant coatings
- Materials for space habitat
- Life-cycle performance and material durability
- Holistic material-structural-environmental design approach
- Codes and standards.

The authors of the best papers, as determined by the scientific committee of panel organizers, will be asked to submit journal manuscripts for possible publication in [Athens Journal of Technology & Engineering](#).

Fee structure information is available on <http://www.atiner.gr/2016/fees.htm>.
